

INFO SESSION

High School Boundaries and Career Technical Education (CTE)

As part of the Comprehensive District Design (CDD), MPS will recommend changes to high school boundaries. In addition, the CDD seeks to create centralized CTE programming so students receive skills and education necessary to succeed in whatever they take on after high school.

Attend an information session to learn more.

Monday

Feb. 24

Roosevelt

6-7:30 p.m.

Wednesday

Feb. 26

Davis

6-7:30 p.m.

School-aged childcare and interpretation will be available.
